Rabbi Emeritus

The summer of 1994 provided continued growth and innovation at our camps. Our outstanding summer staff, and our campers will cherish their memories of their favorite activities and friends.

New programs for 1994 at Gindling Hilltop Camp were the Tikkun Olam program, Basketball camp, and CIT's. At Camp Hess Kramer a first time Pre-Leadership program was offered and met with great success. Cinematography was offered at both camps and the videos produced by the classes proved to be exciting and creative. Also a literary magazine which showed much camper initiative was created.

Other special programs offered were a radio show at Hilltop and a visit to Camp Bloomfield which is sponsored by the Foundation for the Junior Blind.

Of course camp is mostly about nourishing our campers' sense of Jewish identity. This past summer we learned about what makes us a Jewish people; a tribe. Our music, dance, entertainment, prayers, and celebrations all helped us feel more connected to our Judaism and each other.

I wish to thank all those who came to camp and dedicated their time and spirit, including our Rabbis, Educators, and medical staff. The involvement of our Camp Commission, Camp Committee and the officers and board of Wilshire Boulevard Temple without whose concern and support we could not function. A special thank you to Michele Schipper, Associate Director of Wilshire Boulevard Temple Camps, for her outstanding 5 years of devotion and performance in making our camps a better place.

As of writing this I am pleased to share with you that Barbara Katz has been appointed Assistant Director of Wilshire Boulevard Temple Camps.

See you the summer of 1995
