CAMPS
2002

50 years ago, Rabbi Alfred Wolf realized his dream and Camp Hess Kramer began. As we look forward to the next 50 years, we must always keep in our minds the vision that was Rabbi Wolf's. It has framed all that we do, from the traditions of Chief Texaco to new adventure programs, we are here to experience what it means to be Jewish.

The values we live and learn at camp affect our lives daily after camp. Those thoughts and feelings never leave us. This was vibrantly clear at our 50th Anniversary Celebration last June, when over one thousand people came to visit, recollect, and rekindle the memories they so cherish from their years at camp. The celebration was a fitting tribute to our founders and past directors who have given so much over the years.

This past year we welcomed back a long time camper & staff member, Becca Sills, who became our assistant director. We also welcomed David Lewis, our new associate director, who comes to us with a wealth of experience and knowledge of informal Jewish education. As we look to the future, we look back and remember the past ideals which provide the framework for our camps.

Thank you to all of our staff of summer 2002 for the fantastic work you did with our campers. Thank you to all of our campers for being open to exploring who you are and what it means to each of you to be Jewish, both on a personal level and as a member of the community. Thank you to our Camp Committee and the Board of Trustees who provide the support that make our camps possible.

And thank you Rabbi Wolf...it is an honor to continue your work with our youth.
