## **What Are We Hiking For?**

(Tune: What Are We Fighting For?)

Well come on all you big strong men  
All the girls need a helping hand  
They've got themselves in a terrible jam  
Way up yonder in Boney Land  
So put down your packs and sit yourselves down  
'Cause Boney, we've been around

Refrain:

And it's one, two, three, what are we hiking for?  
Don't ask me, I don't give a danch  
Next stop is Sanchez Ranch  
And it's five, six, seven, open up the barbed wire gates  
Well, there ain't no time to blink an eye  
Whoopee, we're all gonna fry!

Well come on Breuer let's move fast  
Our big chance is here at last  
Gotta go down to where it's wet  
And show 'em this is the best group yet  
Come on everybody we're gonna have fun  
We're Leadership '71

Refrain:

And it's one, two three, what are we hiking for?  
Don't ask me, I don't give a foo  
Next stop is Point Mugu  
And it's five, six, seven, open up the Kramer gates  
Well, here we are, we're home at last  
And we tell you our hike was a blast.

## **Slow Down, You Hike Too Fast**

(59th Street Bridge Song)

Slow down, you hike too fast  
You've got to make the water last  
Just kicking up the dust and stones

Do-do-do-do, Hikin' Boney  
Do-do-do-do, Hikin' Boney

Watch out, Leadership  
Where ya goin'?  
Poison Oak is always growing  
Ain't ya got some shade for me?  
All we want is one big tree...  
Do-do-do-do, Hikin' Boney  
Do-do-do-do, Hikin' Boney

Sweat on our brows  
and blisters on our feet  
We're tired and sweaty and ready to sleep  
When the morning time comes,  
We will hike to the sea  
Here we come...are you ready?

(cheer)  
Ready or not, here we come  
We are Leadership '71!

**No One Hiked Alone**  
(Tune: No Man Walks Alone)

No one, no one hiked alone  
No one, no one hiked alone  
When Leadership went on its hike  
We sang and sang with all our might  
And no one, no one hiked alone

Chorus:  
I TELL YOU-  
No one hiked alone  
No one hiked alone  
The hike was hot and long  
but we went on and on

No one hiked alone  
No one hiked alone  
None had to make it on their own/n/n/n

When we sighted Boney Ridge  
When we sighted Boney Ridge  
We hiked and hiked up to the top  
And then for lunch we finally stopped  
And no one, no one hiked alone

Chorus

Then we started out again  
Then we started out again  
Down Boney Ridge we slipped and fell  
And it was sure as hot as hell  
And no one, no one hiked alone

Chorus

We passed Circle X's pool  
We passed Circle X's pool  
Ginsburg led us round and round  
'til Sanchez Ranch we finally found  
And no one, no one hiked alone

### **The Tushie Song** (Tune: Chewing Gum)

My mommy gave me some blue jeans to hike up Boney  
I finally hiked up Boney and fell on my tushie  
Tush-tush-tush-tush-tushie, I fell on my tushie

My mommy gave me a canteen to save some water  
I didn't save the water, I poured it on my tushie  
(refrain)

My mommy gave me some Kleenex to wipe my nose  
I didn't wipe my nose, I wiped my tushie  
(refrain)

My mommy sent me to Camp to see Mark Greenstein  
I didn't see Mark Greenstein, I saw his tushie  
(refrain)
